The Enrico Fermi Educational Fund of Yonkers, Inc. (“Enrico Fermi”) is proud to announce our 61st year of providing College scholarships for High School Seniors with traceable Italian heritage who are graduating from an accredited High School. The resiliency of this organization to sustain a dream of our founder, my uncle, Mike Vitulli, is remarkable. Starting as a small community-based organization in Yonkers, to now where our reach includes all of Westchester County, we continue to provide academic scholarships to exceptionally worthy recipients. Through the decades, our core values have never changed, education through commitment and perseverance remains steadfast.

We are also excited to let you know that our scholarship application can now be found online through our website. We are accepting online applications for eligible candidates at www.enricofermi.org/scholarship-info/

We sincerely appreciate your past donations and strongly encourage you to generously support us with your membership and contributions. Recognizing the financial and other challenges on each of us, your continued – or new – support is as important as ever. Your membership and donations have directly contributed toward providing educational opportunities for our Italian American students and are used to help fund our seven scholarships totaling \$40,000. Since inception sixty-one years ago, The Enrico Fermi Educational Fund has awarded more than one million dollars in scholarships to hundreds of recipients! Enclosed is a membership contribution envelope. Please consider making a tax-deductible donation. New this year, you can also go online to make your membership contribution directly at www.enricofermi.org/become-a-member/

Mark your calendars! Our Annual Scholarship breakfast will be held on Sunday, April 28, 2024 at 9:45 am at Mulino’s in Eastchester, New York. We hope to see you when we celebrate the newest class of Fermi Scholarship recipients, and honor our longtime supporter, James J. Veneruso, Esq..
